USCIS AND FBI RELEASE JOINT PLAN TO ELIMINATE BACKLOG OF FBI NAME CHECKS

Partnership Establishes Series of Milestones To Complete Checks

WASHINGTON – U.S. Citizenship and Immigration Services (USCIS) and the Federal Bureau of Investigation (FBI) today announced a joint plan to eliminate the backlog of name checks pending with the FBI.

USCIS and the FBI established a series of milestones prioritizing work based on the age of the pending name check. The FBI has already eliminated all name check cases pending more than four years.

“This plan of action is the product of a strong partnership between USCIS and the FBI to eliminate the backlogs and to strengthen national security,” said USCIS Director Emilio Gonzalez.

By increasing staff, expanding resources, and applying new business processes, the goal is to complete 98 percent of all name checks within 30 days. USCIS and the FBI intend to resolve the remaining two percent, which represent the most difficult name checks and require additional time to complete, within 90 days or less. The goal is to achieve and sustain these processing times by June 2009.

The joint plan will focus on resolving the oldest pending FBI name checks first. USCIS has also requested that the FBI prioritize resolution of approximately 29,800 pending name checks from naturalization applicants submitted to the FBI before May 2006 where the naturalization applicant was already interviewed.

The target milestones for processing name checks are:

Completion Goal	Category
May 2008	Process all name checks pending more than three years
July 2008	Process all name checks pending more than two years
Nov. 2008	Process all name checks pending more than one year
Feb. 2009	Process all name checks pending more than 180 days
June 2009	Process 98 percent of all name checks within 30 days and process the remaining two percent within 90 days.

Interoffice Memorandum

TO: Field Leadership

FROM: Michael Aytes 
Associate Director, Domestic Operations

SUBJECT: Revised National Security Adjudication and Reporting Requirements

Background

U.S. Citizenship and Immigration Services (USCIS) conducts background checks on all applicants, petitioners, and beneficiaries seeking immigration benefits. This is done both to enhance national security and to ensure the integrity of the immigration process. USCIS has previously mandated that FBI name checks be completed and resolved before any positive adjudication can proceed on certain form types. This memorandum modifies existing guidance for applications where statutory immigration provisions allow for the detention and removal of an alien who is the subject of actionable information that is received from the FBI or other law enforcement agencies after approval of the application.

USCIS is issuing revised guidance in response to recommendations of the DHS Office of Inspector General (OIG-06-06) regarding the need to align the agency's background and security check policies with those of U.S. Immigration and Customs Enforcement (ICE). The *Background and Security Investigations in Proceedings Before Immigration Judges and the Board of Immigration Appeals* regulations prevent immigration judges and the Board of Immigration Appeals (BIA) from granting benefits to aliens before DHS confirms that all background and security checks have been completed. See 8 C.F.R. § 1003.47(g); 8 C.F.R. § 1003.1(d)(6)(i). In the context of removal proceedings, ICE has determined that FBI fingerprint checks and Interagency Border Inspection Services (IBIS) checks are the required security checks for purposes of the applicable regulations. In the unlikely event that FBI name checks reveal actionable information after the immigration judge grants an alien permanent resident status, DHS may detain and initiate removal proceedings against the permanent resident. See 8 U.S.C. § 1227; see also 8 U.S.C. § 1256 (allowing DHS to rescind an alien's adjustment of status).

Revised National Security Adjudication and Reporting Requirements

Revised Guidance

A definitive FBI fingerprint check and the IBIS check must be obtained and resolved before an Application for Adjustment of Status (I-485), Application for Waiver of Ground of Inadmissibility (I-601), Application for Status as a Temporary Resident Under Section 245A of the Immigration and Nationality Act (I-687), or Application to Adjust Status from Temporary to Permanent Resident (Under Section 245A of Public Law 99-603) (I-698) is approved. USCIS will continue to initiate FBI name checks when those applications are received. Where the application is otherwise approvable and the FBI name check request has been pending for more than 180 days, the adjudicator shall approve the I-485, I-601, I-687, or I-698 and proceed with card issuance. The FBI has committed to providing FBI name check results within this timeframe.

There is no change in the requirement that FBI fingerprint check, IBIS check and FBI name check results be obtained and resolved prior to the adjudication of an Application for Naturalization (N-400).

Pending further guidance regarding post-audit reporting and tracking requirements and modifications to associated quality assurance procedures, applications approved pursuant to this memorandum shall be held at the adjudicating office. If derogatory or adverse information is received from the FBI after the application is approved, USCIS will determine if rescission or removal proceedings are appropriate and warranted.

Subject to the reporting requirements set forth in the February 16, 2007, memorandum titled "FBI Name Checks Policy and Process Clarification for Domestic Operations," an application or petition may be denied, dismissed, administratively closed, withdrawn, or referred to the Immigration Court at any time.

Questions regarding this memorandum should be directed through appropriate supervisory and operational channels. Local offices should work through their chain of command.
